THE COUNTERSTROKE

AMBROSE PRATT. AUTHOR OF "VIGOROUS DAUNT, BILLIONAIRE."

CHAPTER XXI.

his escape from the Island of Attala. She shall die poor and lonely, in rags, per- girl. his escape from the Island of Attala. She had been carefully attended during her illness by the count's negro physician, who, although a person without university qualifications, proved to be the possiss more. Bah, did I land in Florence, in sessor of much skill in the practice of Berlin, Vienna, Moscow, I can still hold then." have discovered a liking for her, and although he frequently showed himself impatient and crotchetty, he was on the whole kind, and paid her many little attentions.

wide revolution, a political cataclysm of unparalleled dimensions could work my ruin, and until that day arrives, why, I shall live."

Here, gaused in the dimost cate from the apartment. Francine immediately arose, and disdaining to glance at madame, also hastened from the room. Madame turned to Desire. "Well, girl, you look displeased. What is the matter with you are old."

Madame Viyella she never saw except at a distance, but Desire came often to visit her, and at least one hour every evening was spent very pleasantly by the girl in trying on the various articles of Mics Fillott's wardrobe a wardrobe which

party, and she found herself sitting on blind purpose, and in order to retain you will catch it from your grandfather." the count's right hand, opposite her fath-their confidence, in order to obtain their She kissed the girl, and forced her from

mourning costume, for his expression was excited and triumphant, and his first act The count nodded. "Yes, Jibaloff. Ah, back against it. on seating himself was to fill his glass bah! he would suit them too, for he is and those of his guests with sparkling more bloodthirsty than I. He would arburgundy. Then, raising his flagon, he thus addressed them: "I wish you to join "But," said Francine, "what if he too by to admire your pretty disdain, my thus addressed them: "I wish you to join me in drinking the health of his majesty were killed?"

predecessor and teacher, some that the lips tightly.

"Is it over?" asked madame, as she and three years ago, about the time that Elliott shut her lips tightly.

"Oh, you'd maintain silence, sipped their wine.

noon at Monza; shot dead!" Francine experienced a thrill of horror,

and stared at the old man with a sudden presentiment of what was to come. "You -you had no hand in his death," she nihillsm of nihillsts. Lodges there were gasped out. He gave a low chuckle of appreciation.

arranged the matter. I decreed-my serv-"Then you are the actual murderer!" She gazed at him, her eyes dilated with ments were easily apprehended, and

The Count d'Attala was plainly flat-tered by the sensation he had created; "Jibaloff should be here soon laughed out in extravagant delight, and glanced about the table with the air self-gratulation. "I am not of those who are frightened of the world," he answered, still smiling, "nor do I seek to escape, in my home-circle, at all events, ure?" Desire, my dear, you appear to be quite out of love with your poor old grandfather; you stare at me with your heart is filled with dismay and detestation. Ha! ha! Why, even you, Miss Elliot, I dare way, stand this moment slightly in own. swear, stand this moment slightly in awe of me. But what need is there for emotion after all? A king is a man, and just as liable to death as the poorest con-tadina. He has lungs, stomach, and heart natural child that you are—ha! ha! ha!" as liable to death as the poorest conly disturbing one or other of those or-gans, and pouf! Death carries him off as it, eh? Never mind; come to its old easily as the sirocco a fluffy blossom on its bosom. You perceive, then, that not so very much credit is due to me. I plot and plan, but my real friend is Death. Death! who lurks an unseen phantom in the sunlight and the shade, who, omnities the sunlight and almost employers. ally in the campaign he wages with the world. I vow to you, Miss Elliott, that with every death which I accomplish I grow young again, and take a new lease you not?" she asked, entreatingly.

He laughed again. "Ha, ha, ha! Do you take me for a coward or a fool? I know that I must go at last, for all things have an end. But what do I care for that? At least while I live I shall enjoy myself. Besides, it is written in

the stars that I shall die poor. Christo-

sessor of much skill in the practice of medicine. She found nothing to complain of in her treatment during the time of convalescence. The old count seemed to have discovered a liking for her, and al-wide revolution, a political cataclysm of the practice of medicine. She found nothing to complain up my head among the wealthlest inhabitants of those cities! You see, I have striven and done what I might to postpone the evil day. Only a world-wide revolution, a political cataclysm of the practice of medicine. He made a sign at that moment, and his two dumb attendants at once hurried forward, and lifting the old man to his feet, guided him with the utmost care from the apartment. Franche immediately more could work my distance of the practice of the made a sign at that moment, and habitants of those cities!

on an incarnate fiend. "But you are old,"

Miss Elliott's wardrobe, a wardrobe which pistol as well as I. You have seen me the count had provided for her from Italy climb to the look-out assisted by my atshortly after her arrival on the island, tendants, it is true, but I almost think Desire had grown very fond of her new I could just as easily have done without friend, and was never tired of asking questions about that wonderful London so I take no chances, but care for my questions about that wonderful London which had so long been the El Dorado of her dreams, and which she now eagerly looked forward to visiting at no very distant date.

The the chances, but care for my health as no man I verily believe before has ever done. Hence, my choice of this island for a permanent abode during the past fifty years. It is true that the Each morning Desire anxiously searched but that idea influenced me nothing.

him, and in such a manner that she was constrained to accept the invitation, and many have been slain. In spite "Mother!" of that, no throne has been vacant long, "I would, I tell you. It is killing me but they nevertheless persist in their But you had better go to your work, or
